Mrs E. Manley
156 Spruce St.
Newark N. J.

Dear Mrs Manley, - I find Wash D. C. park is open on July 20th. If you remember that is the date we were to go to Columbus O. with your club. S. H. evidently got dates mixed and thought Wash. club was home. Due to late arrival of box scores from Grays I did not send out averages. I find that Irvin is batting second and Matthews third in standing of league. Newark is also leading the league in club batting. You will receive averages in a day or so. I am having 50 mimeograph copies made of averages

so I can get them all over the country.
I will then send averages out every second week.
This will mean additional expense for stencils
etc. but I don't think anyone will kick; also
three dollars every two weeks for stamps as
in most cases air mail will be used, so
the averages will come out simultaneously
in all papers.

How is Mercer coming out with Elks game?
I see where Satchell Paige's All Stars are
playing E. Clowns in Cincinnati. That is a
joke as every body knows Satchell belongs
to Wilkinson.

We changed publicity man in Wash. D.C..
The schedule was wrong when it showed
Newark at Brays on June 21st and at Newark
on June 22nd. A jump of that kind is im-
possible.

Yours

Cur Poser
